Summer is almost here! For many folks, that means a time to get away for a while. That's fantastic, but often it leaves a hole in our volunteer roles. We are looking for a team of folks who might consider 'stepping in' when others are away this season. If you are interested in trying out a new ministry or helping in an area as a temporary 'fill in', please contact the office and we will find a spot where you can help out. In many cases, no previous experience is necessary!
