Revised 05/31/22

Other Details & Info

- 1) **All 5th graders going into 6th grade in Fall 2022,** are now invited to participate in the youth's summer activities. In order to participate, **parents need to complete two forms,** a medical info sheet and a waiver/permission to transport for trips. **Both need to be completed prior to participation in the first activity** so that your son/daughter may join. Forms can be returned to Brad at the church building or given to him on the day of the event.
- 2) I've tried to choose activities that keep the **costs to a minimum** although some trips may have participation fees. **We don't want anyone to miss out because of costs.** Please speak with me (Brad) if you need financial assistance.
- 3) For the more dramatic amongst us, Jen Koenigs invited the youth to **participate in the VBC skit this summer.** Please ask them if they are interested and let us know. There are other opportunities to join in VBC too, so keep the calendar open for **August 1-5.**
- 4) *The scheduled **Rafting trip on Wednesday, August 17,** has 14 spots open and will be filled on **a first paid-first reserved basis.** (Mike Koenigs, Beth and myself are supervising along with guides). I will fill with youth first and then, space permitting, may extend the invite to young adults or young-at-heart parents. The trip is partially subsidized, but it **will still cost \$20 plus McD supper money.(see point 2 above)**
- 5) There are many **Dock Spiders Games** to attend but for right now **I will look at the possibility of attending games on Thursday, June 30, July 21, and August 11.** The games start at 6:35pm. If there are any youth who might be interested in joining us, then please confirm with us by the Monday of that week as to whether we will be attending or not. All costs are for your own expense.
